

**A BETTER RED**

**MAX Red Line  
Extension and Reliability  
Improvements Project**

TriMet Board Meeting May 26, 2021

# A BETTER RED

## ESTIMATED PROJECT SCHEDULE

## A BETTER RED

### Milestones

- 100% design complete
- Total Contract Price negotiated with the Construction Management/General Contractor (CMCG)
- Submitted cost, scope & schedule information for review by FTA and the Project Management Oversight Consultant (PMOC)

## A BETTER RED

### Next Steps:

- After FTA review, submit finance plan and rating materials in preparation for the Single Year Grant Award (SYGA)
- SYGA is expected in late August/September 2021
- Vehicle procurement and property acquisition allowed under pre-award authority.
- Project seeking FTA approval for a Letter of No Prejudice (LONP) of approx. \$7M for early construction work

## A BETTER RED

### June Board Actions

- Approve Construction (CMGC) Contract with limited notice to proceed for LONP (Stacy & Witbeck, Inc.)
- Approve contract for Design Services During Construction (Parametrix)
- Approve FTA Grant Agreement Commitment
- Approve Light Rail Vehicles purchase (Siemens)

# A BETTER RED

## DBE Participation

- **Design (Parametrix)**
  - DBE Goal is 19% for Design Contract
  - Design team is at 18.9% DBE Awards
  - 16.5% DBE Payments
- **Construction (SWI)**
  - DBE goal 20%
  - Three DBE subs working on pre-construction services
  - SWI hosted subcontractor virtual outreach event – 2/25/21 3:30pm, sub-bidding completed in April 2021, on target to meet goals
