

# 2025 Coordinated Transportation Plan Update

July 23, 2025

# Coordinated Transportation Plan

## **Federal Enhanced Mobility for Seniors and Individuals with Disabilities Program (Section 5310) requires:**

- projects selected for funding be included in a locally developed coordinated transportation plan;
- the plan is developed and approved via a process that includes participation by older adults, people with disabilities, transportation and human services providers, and public transit riders;
- the plan identifies transportation needs and priorities for funding and implementation; and
- the plan is updated every 5 years.

# Coordinated Transportation Plan

## **Oregon Administrative Rule 732-005-000:**

TriMet, as the state designated Qualified entity for the Tri-County Area receiving STIF Population Based Formula Funds, must develop a coordinated plan to guide investment of funds for programs or purchases benefiting older adults and people with disabilities.
